Since 1950, nothing has been more synonymous with summer in Seattle than Seafair. Before the Seahawks and Mariners called Seattle home, before the 1962 World's Fair that gave us the iconic Space Needle, Seattle celebrated Seafair. Join us in being part of these iconic Seattle events!

**IMPORTANT:** Please note, based on limited space, our events do NOT have availability for arts, crafts, commercial importers of misc. items for sale, henna, tabling of any kind, political promotion, etc.
